PRESIDENT'S MESSAGE

Hello everyone, and all new members. Welcome to 2010!! That sounds kind of strange to say, but here we are, another year of playing mother hen to our dahlias for the next 3 months. Now would be a good time to check on those little chicks and make sure that they are not rotting or molding. If they are, get rid of them asap. No bad eggs for us this winter. But on the serious side, only nine months til the fair, oh boy!! But really, I think that most of us know that this time of year not a thing goes on outside. At least this year we can see outside. Most of us have done our winter shopping for all those tubers that were on our wish list, if we could find them, and now we wait for spring and arrival of our tubers.

No meeting this month, but we will be back at it in February at the meeting room at Manito. There is a board meeting this month on the 17th at the Anselmo's house. All are welcome. What we do at the meeting is discuss the upcoming year, things we might wish to have, go over the budget for the upcoming year and audit the books from last year. Oh what fun to be had by all. And pizza!! Here's to the start of another great growing season, for it will be here before we know it. Have a great 2010 year and see all of you soon!
